

THE CHRIST CHURCH READING PLAN is

designed to take you through the Old Testament in two years, and the New Testament and Psalms every year.

We take you through the OT Historical Books, the Former Prophets in the order of their appearance, the Wisdom Literature, and finally the Chronicles and Later Prophets.

We take you through the New Testament in four cycles beginning with a Gospel followed by the Letters that best fit the theme and style of the Gospel writer.

We have given you six readings each week to allow for a catch up day, and placed the Psalms on the weekend for a change of pace.

Feel free to innovate. Read the OT in the morning and NT in the evening. Read the NT and save the OT for a later date.
